Note

1. Please note that mere registration of application does not guarantee admission.
2. Selection of children at LKG and UKG would depend on the availability of seats for the campus and syllabus chosen for Class I.
3. We have linked the number of applications that we can accept at LKG and UKG on the availability of seats for campus and syllabi chosen at Class I. Thus once we reach the maximum number of applications, we will not be able to accept any more applications. The submit button will not work and once you press on the submit button, there will be a pop up message stating that “We have received maximum number of applications’.
4. Parents may kindly note that the saved applications will be much higher than the applications that we can accept.
5. Even if the child is selected for LKG and UKG, the final selection of syllabus for class 1 will depend upon the performance of the child. The decision of the Management is final on this regard.
6. We would like to inform the parents that an email id is given to help parents when they save applications. However, parents may kindly note that no emails from parents will be answered at the time of submission.
7. Parents may kindly understand that as a school it is impossible for us to help each parent who has applied for their child. We have a fixed number of seats each year and cannot go beyond that number. The Director or the Principals will not be able to meet parents who are unable to submit the applications and expect us to accept hard copies of the application forms. Please note that we will not accept any hard copies of applications that parents have not been able to submit.
8. We would like to inform the parents that applications from Rajarajeshwari Nagar, BTM Layout, Bannerghatta Road, J P Nagar IX, VIII, VII & VI Phase, Shankarapuram, Chamarajpet, Kumaraswamy Layout, ISRO Layout, Poorna Pragna Layout and Kanakapura Main Road will not be accepted at Nursery @ Tata Silk Farm.
